

Monday  
3 October

Advanced Manufacturing Workshop	Materials Challenges Workshop	ISAM Workshop	BWR Simulator Workshop	NEaNH Workshop	NEST Student Workshop
Conference Reception					

Tuesday  
4 October

Continental Breakfast; Speaker's Breakfast
Conference Kickoff and Host Speeches
Government Speeches
Keynote Panel: Paradigm Shift Required to Save the Planet
Coffee Break
Special Session on BWRX-300 Deployment
Lunch
Plenary 1: SMR Deployment in Canada
Plenary 2: US Advanced Reactor Deployment
Coffee Break
Plenary 3: SMR Deployment in UK and EU
Plenary 4: GIF Collaborations: Technology Deployment through Innovation
Innovation Night

Wednesday  
5 October

Continental Breakfast; Speaker's Breakfast			
Day 2 Keynote Address			
Plenary 5: What is Necessary to Achieve Net Zero			
Coffee Break			
Plenary 6: Public Understanding & Acceptance of New Nuclear			
Lunch			
Technical Session A1 Safety & Licensing of Advanced Reactors	Technical Session A2 Molten Salt Reactors	Technical Session A3 Advanced Reactor and SMR Deployment	Technical Session A4 SMR Manufacturing and Supply Chain

Wednesday  
5 October  
(cont.)

Coffee Break

<b>Technical Session B1</b> S&L of Advanced Reactors	<b>Technical Session B2</b> HTGR	<b>Technical Session B3</b> Advanced Reactor and SMR Deployment	<b>Technical Session B4</b> SMR Economics, Financing and Business Models
---	-------------------------------------	---	--

Conference Banquet

Thursday  
6 October

Continental Breakfast; Speaker's Breakfast

<b>Technical Session C1</b> LMFR and other SMR	<b>Technical Session C2</b> Nuclear Hybrid Energy Systems and Co-Gen	<b>Technical Session C3</b> Public Policy & Engagement	<b>Technical Session C4</b> Status of Licensing & Pre- Licensing Activities
---	--	--	---

Coffee Break

<b>Technical Session D1</b> Water-cooled SMR	<b>Technical Session D2</b> Nuclear Hybrid Energy Systems and Co-Gen	<b>Technical Session D3</b> Public Policy & Engagement	<b>Technical Session D4</b> Advanced Reactor and SMR Deployment
---	--	--	---

Lunch

Day 3 Keynote Address

Plenary 7: Licensing & Regulatory Harmonization

Coffee Break

Plenary 8: Viable Fuel Cycle Options for Net-Zero, Energy Security and Sustainability

Conference Closing

Friday  
7 October

Technical Tour
